

Adolf und Maria Oberrauch
welcome you heartily at the Schiedhof.

Our farm is situated on 750 m above sea-level on the sunny side of the beautiful "Eisacktal" valley, at about 3,5 km from the centre of Kastelruth.

You can reach the village of Kastelruth on a nice and well-kept road, either by car or by bus (hourly service). There is a bus stop close to our farm.

Depending on the season, we offer our guests a great variety of apples like "Golden Delicious" from our own apple-trees, as well as figs, plums, nuts and fresh vegetables and herbs from our garden.

Children will love it here and have a lot of fun. There is a swing and a lot of place to play games ...

There are lots of exciting things to discover on our farm. Harry, the dog and our cats, chickens and rabbits are always ready for new adventures.

Everyday life on a farm is very exciting, varied and never boring. If you want to learn more about it, feel free to watch or join us in our daily routine ...
